

Heaven on Earth: Sexual Satisfaction Spiritually Attained, 2008, Armando Chaboya, 0981505104, 9780981505107, Writers Foundry, Incorporated, 2008

Chaboya relates the intimate story of how to love deeply, not with the egotistical and self-serving love of modern culture but rather with a love that has a more ancient lineage. This love can be traced back to antiquity to that most ancient of books, the Bible. Here, the author examines one of the most mysterious books of the Bible: the Song of Songs. He skillfully reveals to us secrets that have been lost since the Garden of Eden, secrets hidden in the Bible for centuries -- waiting to be revealed. Deliciously romantic and practically useful (Chaboya teaches us how to love our spouses divinely for a lifetime), Chaboya's genius will help us to become the lovers that God wants us to be.

Designing and Assessing Courses and Curricula A Practical Guide, Robert M. Diamond, Nov 24, 2009, Education, 512 pages. Designing and Assessing Courses and Curricula reflects the most current knowledge and practice in course and curriculum design and connects this knowledge with the critical Glass A World History, Alan Macfarlane, Gerry Martin, Oct 1, 2002, Technology & Engineering, 255 pages. The role of glass in shaping the world's history, art, and scientific achievement is made plain in this fascinating study of a ubiquitous yet absolutely essential manmade This study is an unsystematic survey of the representation of men in late 20th and early 21st century American literature, film, and culture. It explores literature, film, and.
